Safety In The Science Laboratory A Student Contract

Agreement

I, _____, have read the safety

(Student's Name)

rules for the science laboratory explained to me and agree to follow these safety regulations while in science class. I further agree to follow all other written and verbal instructions given to the class by the teacher.

(Student's Name)

(Date)

I, as a parent and/or guardian of the above named student, have read and discussed the rules with the student. I support safe laboratory practices and will insist on complete compliance with the rules.

(Parent's Name)

(Date)

Note: Laboratory Safety Rules can be viewed online at <http://www.scrantonprepbiology.org>
